The jaggory will be weighed in the balance of the Farm and this weight will have to be taken as correct.

The successful tenderer will have to take delivery of the jaggory against cash every week, the first instalment commencing within a week from the date of acceptance of the tender and thereafter every Saturday at 2 P.M. on the Farm. If the tenderer is not present at the time, the weight recorded by the Farm Officers will have to be accepted as correct. If the jaggory is not promptly taken charge of by the tenderer every week, it will be stored on the Farm at his risk and expense.

The earnest money deposited with the tender is liable to be forfeited to Government, if any of the above conditions are violated.
